Oh shit!

Everybody in the club, go to work
I'm gonna rock to the beat 'till it hurt

We bounce to this track, and I don't care what anybody
thinks about that
I don't care what anybody thinks about that-that-that-
that..
That (?X)
What was alive is now dead, this is the time for
chocolate spread!

Everybody in the club, go to work
I'm gonna rock to the beat 'till it hurt
(?X)

I gotta stay fly-y-y-y-y
'Till I die-y-y-y-y
(?X)

If you really like to rock the funky beats
Like to rock the-rock the beats
Like to rock the funky beats
(?X)

My daddy makes me put glass in my vagina
Yay!
