Kittybone's waitin'
In a back room Mister
Kittybone's deep with
The chit chat sisters oh ah.
Kittybone now where are ya goin'
Don't ya know we are so misunderstood
Kittybone I'm try'n to do some good.
Kittybone's men they
All have blisters
Kittybone works on
The ones who resist her oh ah
Kittybone now where are ya goin'
don't ya know we are so misunderstood
Kittybone I'm try'n to do some good
Kittybone's
Got her things in gear
Her high healed shoes,
they show no fear
Mister John says
Come and stand by me
And Kittybone
She is beyond the grace
and with her plastic lips
She kisses my face
Kittybone won't you
Come and smile by me.
Kittybone wants someone
Who's gonna miss her
She'll find herself
Alone, all tied up,
Play'n twister oh ah.
Kittybone
Now where are ya goin'
Don't you know we
Are so misunderstood
Kittybone I'm try'n
To do some good
Kittybone now
Where are ya goin'
Kittybone we
Are so misunderstood
Kittybone

I'm try'n to do some good.
