--Bounce it bounce it, shake it shake it

[Ice Cube]

Baby baby can you bouce to this (bounce)
Fuck around and smoke an ounce to this (bounce)
Turn it up, we can clown to this
Throw your hands in the air if you down with this

(verse one) {:20}

I hear you bragin 'bout the money you foldin'
Same nigga that be kissin' my colon
When you picture me rollin'
Nigga picture me holdin', pure heat like Nolan
They call me Poppa Doctor
See your bitch and i knock her
I collect them like Pokemon
>From Nokishan, accept the ones with no behind
You can keep 'em, keep 'em from creepin' where i'm
sleepin'
Same bitch and same club every weekend
Same drink, same dress, brainless
What would you do if i handed you a stainless
Can't fuck with a girl that's gameless
Would you tell the po-po's what my name is

Baby baby can you bouce to this (baby bounce)
Fuck around and smoke an ounce to this (smoke an
