You've got this strange effect on me,  
And I like it.

You've got this strange effect on me,  
And I like it.

You make this world seem right,  
You make my darkness bright, yes,  
You've got this strange effect on me,  
And I like it, and I like it

And I like the way you kiss me,  
Don't know if I should, but this feeling,

It's love and I know it,  
That's why I feel good.

You've got this strange effect on me,  
And I like it.

You've got this strange effect on me,  
And I like it.

You make this world seem right,  
You make my darkness bright, yes,  
You've got this strange effect on me,  
And I like it, and I like it.
