Turn on the radio take a listen  
What you're missing  
Personally I'm sick of the ass-kissing  
What I'm kicking to you won't get rotation  
Nowhere in the nation  
Program directors and DJ's ignored me  
Cause I simply said fuck Top Forty  
And top thirty top twenty and top ten  
Until you put more hip-hop in  
Then I might grin but don't pretend that you're down  
with the C  
And go and dis me in a magazine  
How could you figure the brother could dig ya  
DJ face down in the river  
No it's not a threat but a promise  
I'm as  
Crazy as they come see  
Mama didn't love me  
All I got is my nine  
And to calm the savage beast here's the Alpine

Tune in to the radio listen for a minute  
Yo G stick a fucking tape in it  
Cause all the radio do is gangle  
That R&B love triangle  
If you're out there kicking it with the brothers  
You don't care about lovers  
You wanna hear a young nigga on the mic  
Going buck wild  
Throwing and flowing and showing new styles  
That's where I'm coming from  
Reality that's what they're running from  
So if you're down with Ice Cube let me know that you  
know  
Yo turn off the radio
