[Ice Cube]

Microphone check, heh, yo

Heh, yeah..

{They won't call me a nigga..} - 2X

Listen to the preacher man, but are you talkin to me?

I can't hear you with a mouth full of pig's feet

Thy shouldn't eat the swine flesh

Your body is a mess, but you're blessed

with the father, son, spirit and the holy ghost

But my whole neighborhood is comatose

Lookin for survival

The devil made you a slave and he gave you a bible

400 years of gettin our ass kicked

by so-called Christians and Catholics

But I'ma watch 'em burn in the fire

See I'm a G, that's why I ain't in your choir

Cause I see, cause I know

The church ain't nuttin but a fashion show

Get the devil do a one-eighty-seven

and they won't, call me a nigga, when I get to heaven

{They won't call me a nigga}

{when I get to heaven}

{No they won't! Haha no they won't, no they won't}

You're waitin for the devil to come from the ground

Clown, take a look around

Just look at the cross that the priest is holdin

A beast, in sheep's clothing

But I'm rollin, with that knowledge of self

Cause heaven, ain't just wealth

So mister preacher, if I couldn't pay my tithe

Do I have to wait outside?

White man, please take another look

Cause we couldn't be readin out the same book

Cause you'se a crook and I'm a brother

King James had sex with his mother

Is that yo' edition? Is that your religion?

Black man, you gotta make a desicion

Cause God is comin on day number seven
and they won't, call me a nigga, when I get to heaven

{They won't call me a nigga}
{when I get to heaven}
{No they won't! Haha no they won't, no they won't}
{They won't call me a nigga}
{when I get to heaven}
{No they won't! Haha no they won't, no they won't}

The same white man that threw me in the slammer
He bombed the church in Alabama
So if I cock the hammer, God won't mind
if I have to kill the human swine
Cause God is a killer from the start
Why you think, Noah had to build his Ark?
And God is a man from his feet to his hair
That's why you say 'amen' after each and every prayer
I just stare at the church man
Spendin mo' money on the church band
But Elijah's got a plan
Got the white man screamin - Damn that Farrakhan!
Cause one day these babies'll uprise
Much more than bow ties and bean pies
Kickin knowledge at the 7-11
And they won't, call me a nigga, when I get to heaven

{They won't call me a nigga}
{when I get to heaven}
{No they won't! Haha no they won't, no they won't}
--> repeat all 8X
