I get no kick from champagne  
Mere alcohol doesn't thrill me at all  
So tell me why should it be true  
That I get a kick out of you?

Some get a kick from cocaine  
I'm sure that if I took even one sniff  
That would bore me terrifically too  
Yet, I get a kick out of you

I get a kick every time I see you're  
Standing there before me  
I get a kick though it's clear to me  
You obviously don't adore me

I get no kick in a plane  
Flying too high with some guy in the sky  
Is my idea of nothing to do  
Yet, I get a kick out of you

I get no kick from champagne  
Mere alcohol doesn't thrill me at all  
So tell me why should it be true  
That I get my kick out of you?

Some get a kick from cocaine  
I'm sure that if I took even one sniff  
That would bore me terrifically too  
Yet, I get a kick out of you

I get a kick every time I see you're  
Standing there before me  
I get a kick though it's clear to me  
You obviously don't adore me

I get no kick in a plane  
Flying too high with some guy in the sky  
Is my idea of nothing to do  
Yet, I get a kick, I get a kick  
I get my kicks out of you
