There's a place out there for us
More than just a prayer or anything you've ever
dreamed of
So when you feel like giving up, 'cause you don't fit in
down here
Fear is crashing in, close your eyes and take my hand,
yeah

We can be the kings and queens of anything if we
believe
It's written in the stars that shine above
A world where you and I belong where, faith and love
will keep us strong
Exactly who we are is just enough

There's a place for us
There's a place for us

When the water meets the sky
Where your heart is free and hope comes back to life
When these broken hands are whole again
We'll find what we've been waiting for, we were made
for so much more

We can be the kings and queens of anything if we
believe
It's written in the stars that shine above
A world where you and I belong, where faith and love
will keep us strong
Exactly who we are is just enough

There's a place for us
There's a place for us

So hold on, hold on
There's a place for us

We can be the kings and queens of anything if we
believe
It's written in the stars that shine above
A world where you and I belong, where faith and love
will keep us strong

Exactly who we are is just enough

Exactly who we are is just enough

There's a place for us
