"When Wedding Bells Ring"

"Amazing grace" is a beautiful tune
Come on spring, will you sing for me in June
I want you to be there when the church choir sing
I want you to be there when those wedding bells rings
A baby is born in June in my name ???
In times of trouble and pain
Let that spirit grace a tender heart
Teach her love right from the start

May this love in peace ever rise ???
May this love grow healthy and sane
On steady feet to a higher ground
To a state of grace when no dogs come around

I want you to be there when those wedding bells ring

I want you to be there (*4)
I want you to be there when those wedding bells ring
I want you to be there (*3)
