Well... you can't hurt me
'cause I'm un-hurttable
And you can't scare me
'cause I'm un-shakable
And you can't touch me
'cause I'm un-reachable
And you can't get me
'cause I'm un-forgettable

I've decided
I'm not going through it again
I made my mind up
I'm not gunna to do it again

Well... I've done things
That are unforgivable
I've made mistakes
That are irreversible
So please don't give it
'cause I can't take it
I've made my bed now
I'm gunna lay in it

I've decided
I'm not going through it again
I made my mind up
I'm not gunna do it again

Well love and happiness
Are inconceivable
So don't love me
'cause I'm unlovable
And don't tease me
'cause I'm un-temptable
And you can't be with me
'cause I'm un-be-withable

I've decided
I'm not going through it again
I made my mind up
I'm not gunna to do it again...
