Well, look at you
You're walking on down the street
And you are finally free
But you're crying

And look at me
Well, I got what I wanted
I am free now
Not drowning

But something feels wrong
Something's just terribly wrong
I feel horrible
I got what I wanted though

Well, I can go golfing now
Whenever I want
I can talk to girls
And probably won't

And you can stay with your friends
Tell them what an asshole I am
They already believe that
And now I deserve it

'Cause something feels wrong
Something's just terribly wrong
I feel horrible
I got what I wanted though

And a house is not a home
Even with a view and hardwood floors
And all that talking
And that not talking

Well, a house is not a home
When two aren't two
They're one and one
One and one is nothing
One and one is nothing

You called to say

You wanna come and get your stuff now
You just wanna make sure
That I am not here

Well, I can't believe
I can't believe you're being so strong now
'Cause it feels like if I
Start crying I'll die

Something's just wrong
Something's just terribly wrong
I feel horrible
I got what I wanted though

And a house is not a home
Even with a view and hardwood floors
And all that talking
And that not talking

Well, a house is not a home
When two aren't two
They're one and one
One and one is nothing
One and one is nothing

Years from now maybe outside a movie
You'll be with somebody new
I'll be with somebody too
And we'll just say 'Hello'
