Love the Lord your God with all your heart
With all your soul, with all your mind
And with all your strength

Love the Lord your God with all your heart
With all your soul, with all your mind
And with all your strength

And with all your heart, with all your soul
With all your mind, with all your strength

Love the Lord your God with all your heart
With all your soul, with all your mind
And with all your strength

I will serve You Lord with all my heart
With all my soul, with all my mind
And with all my strength

And I will serve You Lord with all my heart
With all my soul, with all my mind
And with all my strength

With all my heart, with all my soul
With all my mind, with all my strength

I will serve You Lord with all my heart
With all my soul, with all my mind
And with all my strength, hey

And I will love You
(I will love You)
And I will praise You
(I will praise You)

And I will serve You, Lord
(I will serve You)
I will trust You, yeah
(I will trust You)

With all my heart, with all my soul
With all my mind, with all my strength

With all my heart, with all my soul
With all my mind, with all my strength

I will love You Lord with all my heart
With all my soul, with all my mind
And with all my strength

I will love You Lord with all my heart
With all my soul, with all my mind
And with all my strength

And I will love You Lord with all my heart
With all my soul, with all my mind
And with all my strength
