"At The Junction"

It's just a small cafe I'm here most everyday at the
junction of heartbreak road
I guess it's very clear it's you that put me here at the
junction of heartbreak road
At the junction where losers and weepers meet and if
you'd never been there before
They say if you stay at that junction long enough
Honey everybody walks into that door
I'll have a drink or two then I'll have one for you and
another for anyone I know
There are roads out of here for all those who leave to
tears
I'm at the junction with no place to go I'm at the junction
with no place to go
I'm at the junction with no place to go
