(Going going gone going going gone)
Mister auctioneer those are my things you're selling
today
And just like the love they remind me of they're going
going gone
I still see her face when I gave her that ring you're
selling now
Like all she promised me for all eternity it's going
going gone
It hurts me so to see that old chair go how much it
means to me no one understands
I'd give my life and dollars for this one I wanna keep it
from that strangest ends
Mister auctioneer you don't know how you're breaking
my heart
Oh I know those old things mean all my hopes and
dreams
Are going going gone are going going gone
