I keep looking back over my shoulder but the footsteps
of a fool is all I see
I keep looking back over my shoulder
Hoping someday I'll see you smile and looking back at
me
It makes no difference now who was right who was
wrong
Too late to go back now I've been away too long
I keep looking back over my shoulder
Hoping someday I'll see you smile and looking back at
me
I walk along now on this road of regret
And the miles between us they had let me forget
I keep looking back over my shoulder
Hoping someday I'll see you smile and looking back at
me
Hoping someday I'll see you smile and looking back at
me
