I've journeyed over the mountains just like that famous
bear
I didn't realize it wouldn't get me anywhere
And now I'm tired of roaming this life is not much fun
I'd like to go home if I had one
I've known all kinds of women the rowdy and the nice
I've even thought of marriage but I've never thought of
that twice
And now I feel the loneliness with every setting sun
I'd love to see my baby if I had one
I've made a lot of money I've also spent a lot
I've thought a man was judged by the money that he
got
But money will not take me back to days when I was
young
I guess my heart would break if I had one I guess my
heart would break if I had one
