From the dark and lonely part of town comes a man  
nobody wants around  
Dressed in black I cry across the land it's a hurt it's a  
pain it's lonely man  
I am lonely man lonely and blue you'll never know I  
never did get over you  
My longing for you is the best kept secret in the land  
It's a hurt it's a pain it's lonely man

Nobody knows my true identity they'll never know how  
much you're hurting me  
A smile is my disguise and that's my plan it's a hurt it's  
a pain it's lonely man  
I am lonely man...  
It's a hurt it's a pain it's lonely man
