You say tomorrow you're leaving it's so hard for me to  
believe  
I'm making plans for the heartaches cause you're  
making plans to leave  
The tears for me will be falling like a tree shedding it's  
leaves  
I'm making plans for the teardrops cause you're  
making plans to leave  
You're making plans to forget me I'm making plans to  
miss you  
I'm getting ready to grieve  
I'm making plans to be lonesome cause you're making  
plans to leave  
[ piano ]  
Yes you're making plans to leave
