There are some pills and modern thrills that I don't  
understand  
I guess that I'm not what you call a modern carefree  
man  
I cut my hair and wear my clothes the way my daddy

And all I want is having you and good old fashioned

They're also hip what makes them take what I've been  
thinking of  
I would be satisfied with you and good old fashioned  
love
