I wheeled into a truckstop in Texas a little place called
Hamburger Dan's
I heard that jukebox a playin' song about a truck drivin'
man
That waitress done brought me some coffee I thanked
her then called her back again
I said you know that song it sure does fit me cause I'm
a truck drivin' man
Pour me another cup of coffee for it is the best in the
land
I'll put another quarter in the jukebox and play the
Truck Drivin' Man
[guitar]
Well I climbed back aboard my old semi then like a
flash I was gone
I got them old truck wheels a rollin' now I'm on my way
to San Antone
When I get my call up to glory they'll take me away
from this land
I'll head this old rig up to heaven cause I'm a truck
drivin' man
Pour me another cup of coffee...
And play the Truck Drivin' Man
