Well that's railroad steamboat river and cannal
Yonder comes a sucker and he's got my girl
And she's gone gone gone gone gone gone gone I'll
bid her my last farewell

I fell in love with a pretty little thing I thought that
wedding bells would ring
She was as sweet as she could be till I found out what
she did to me
Well that's railroad steamboat...

I asked her mother to let her go she whispered mother
just tell him no
Though he may think that I am true there's twenty more
that think so too
Well that's railroad steamboat...

Now I won't cry my life away some other sucker will
have to pay
And when he finds that she is gone I guess I'll hear him
sing this song
Well that's railroad steamboat...
