Hideaway (come on)
Far from the light of day (come on)
Leaving the world behind
And out of mind
A place we'll find
Where we can hideaway

Hideaway (come on)
Where we can go and play (come on)
Just like the kids in school
We'll act the fool
Break every rule
In our own hideaway

Come on baby, they'll never find us here
Made sure the coast was clear
There's not a thing left to fear

Hideaway (come on)
That's where we're gonna stay (come on)
In just a little time
You'll feel so fine
I'll make you mine
In our own hideaway

Hideaway (come on)
Far from the light of day (come on)
Leaving the world behind
And out of mind
A place we'll find
Where we can hideaway
