"Hold Tight"

Hold tight, count to three, gotta stay close by me,
and hold tight, sing and shout, just ride my round-
about,
and hold tight, shut your eyes, girl, you suit me for
size,
forget the other guys!
You'll never fall each time you call
Hold tight ! Hold tight ! Hold tight !

Hold tight, make me feel, what you say is for real,
and hold tight, carousel, girl, you'll soon ring my bell,
and hold tight, we will fly, swinging low, swinging high,
we're gonna make the sky!
You'll never fall, each time you call
Hold tight ! Hold tight ! Hold tight !

Hold tight, count to three, gotta stay close by me,
and hold tight, sing and shout, just ride my round-
about,
and hold tight, shut your eyes, girl, you suit me for
size,
forget the other guys!
You'll never fall each time you call
Hold tight ! Hold tight ! Hold tight !
