Time, I've been passing time
Watching trains go by
All of my life
Lying on the sand
Watching seabirds fly
Wishing there would be
Someone waiting home for me
Something's telling me it might be you
It's telling me it might be you
All of my life

Looking back as lovers go walking passed
All of my life
Wondering how they met
And what makes it last
If I found the place
Would I recognise the face
Something's telling me it might be you
It's telling me it might be you

So many quiet walks to take
So many dreams to wake
And with so much love to make

I think we're gonna need some time
Maybe all we need is time
And it's telling me it might be you
All of my life

I've been saving love songs and lullabies
And there's so much more
No one's ever heard before
Something's telling me it might be you
Yeah it's telling me it might be you

And I'm feeling it'll just be you
All of my life
It's you
It's you
I've been waiting for
All of my life

Maybe it's you (it's you)
Maybe it's you (it's you)
I've been waiting for
All of my life
