(screams)

I get my drugs from God oh yeah (oh yeah), you should
see the
Shit he's got oh yeah (oh yeah)

And then it starts, a trip of a lifetime, our spaceship up
Against yours

A war on drugs would surely bring...

(screams)

I get my drugs from God oh yeah, you should see how
high I go oh
Yeah (oh yeah)

The 'shrooms kick off, the trip of a lifetime, when
lovers see
More clearly?

I'm sure we're on a ride to a day of love and religion!

(aaah aaah aaah aaah)

I'm drifting in a blackness of ideas, colours,
movements,

KAPOW, KAPOW, KAPOW!

(aaah aaah aaah aaah)

I'm drifting in a vacuum of ideas, colours, movements,

KAPOW, KAPOW!

(aaah aaah aaah aaah)

Woo!
Yeah!
