I'd like to be in a bucket of pee until everything else is
just fine
You would believe what i cannot deceive until
everything else is just mine
I am over you
I am over
I'd like to be all the love that i feel for the woman who
keeps me alive
You'd like to know what went into the home that covers
me now i'm alive
I am over you
I am over you
Til the memories complete iname
I'd like to be in a bucket of pee until everything else is
just fine
You would believe what i cannot deceive until
everything else is just mine
I am over you
I am over you
Til the memories complete iname
I am over you
I am over you
Til the memories complete iname
I will undo half of the things that i should've been
through
I will have done everything else that you needed to do
Needed to
