i'd like to be in a bucket of pee until everything else is
just fine
you would believe what i cannot deceive until
everything else is just mine

i am over you
i am over

i'd like to be all the love that i feel for the woman who
keeps me alive
you'd like to know what went into the home that covers
me now i'm alive

i am over you
i am over you
til the memories complete iname

i'd like to be in a bucket of pee until everything else is
just fine
you would believe what i cannot deceive until
everything else is just mine
i am over you
i am over you
til the memories complete iname

i am over you
i am over you
til the memories complete iname

i will undo half of the things that i should've been
through
i will have done everything else that you needed to do
needed to
