Say! Nothing's better  
You say nothing's better  
Say! Nothing's better than the rest  
Say! Hope you're better than the rest 'cause you talk

Like a fist of light  
These strange explosions hit me  
(Do you believe that I care?)  
Like a fist of light  
These strange explosions hit me  
(Do you believe that I care?)  
Like a fist of light  
These strange explosions hit meÂ...
