"Stress on the Sky"

you're just dull
I'm not to blame
broke your heart for fun

you're just dull
I'm not to blame for this
you're just a mess, to me

if my hope is gone, the way I feel
until the end is near, below my
stress on the sky

you're just dull
I'm not to blame
broke your heart for fun

you're just dull
I'm not to blame for this
you're just a mess, to me

I the one

ahhhhhh, ahhhhh, ahhhhh
ahhhhhh, ahhhhh, ahhhhh
