Why bother talking, if nobody's listening
Blame it on the final, phase of your induction
Why bother talking, if nobody's listening
Name it as a first-born, the firstborn is dead

Theres a knife in my hand
Covered in blood, i cant understand
Why, fucker, why
Wave upon wave upon wave upon wave

Why bother sitting, i cant stand sitting
Just blame it on someone, its your own instruction
Why bother talking, if nobody's listening
Name it as a first-born, the firstborn is dead

Theres a knife in my hand
Covered in blood, i cant understand

Why, fucker, why
Why, why, why, why

I've waited so long
I've waited so long
To see what it takes
I cant say no
I cant say no
To see what it takes

Ah, ah, ah
Ah, ah, ah

We're letting it go
Just before time
Sink to the bottom of our lives
We're letting it go
Before our time
Out us steal our sack live
Do you believe in magic?
Do you believe in magic?
Do you believe in magic?
Do you believe in magic?

Wave upon wave upon wave upon wave
