Well I'm goin' away to leave, won't be back no more
Goin' back down south, child don't you wanna to go?
Woman I'm troubled, I'll be all worried in mind
Well you know I just can't be satisfied
Now I just can't keep from cryin'

Yeah I know my little old baby she gonna jump and
shout
When an old train be late boy Lord and I come walkin'
out
Woman I'm troubled, I'll be all worried in mind
Well you know I can never be satisfied
Just can't keep from cryin'

Well all in my sleep hear my daughter runnin'
Lookin for my woman boy I didn't see that doggone
thing
And I was troubled, I was all worried in mind
Well you know I just can be satisfied, people keep
I just can't keep from cryin'

Yeah I know my little old baby she gonna jump and
shout
When an old train be late boy lookin' on and I come on
walkin' out
I'll be troubled I'll be all worried in mind
Well you know I just can be satisfied
And I just can't keep from cryin'
