Now one day, girl  
All of our dreams will come true  
If you believe in me like I believe in you  
Someday, girl we'll be together

I can see it all in visions of white  
A long train in the stained glass light  
Someday, you can be mine forever  
'Cause sometime I can see it all  
In my dreams  
Wakin' up next to you  
And walkin' around with my head on the ceiling  
I'm in love, ooohh, what a feelin'

Ah honey, it's such a good feeling, oh  
That is such a good feelin', oh  
I won't have to leave you again  
You know I almost believe it was meant to be that way  
Someday, well it won't be long  
And I just can't wait  
But we got to be strong  
And we got to have faith  
And someday, girl, we'll be together  
So, if you need something to hold onto  
Hold onto me, girl, and I'll hold onto you  
And someday, you can be mine forever

Yes sometimes I can see it all in my dreams  
Just how it's gonna be  
You'll be a mother and I'll be one of the children  
I'm in love, but ohhh, what a feelin'  
Oh honey, it's such a good feelin'  
Girl you're gonna be mine forever  
I just love you girl  
I wanna love, love, love you, someday  
Oh, how I need you honey  
To love, love, love me, someday

Yes I love you, love  
I'm gonna love, love, love you someday  
Hey girl, I just love you, love you  
I wanna love, love, love you someday

Oh how I just love you, love you  
I wanna love, love, love you someday  
Girl, how I just love you, love you  
I wanna love, love, love you someday
