The splendor of a King, clothed in majesty
Let all the earth rejoice, all the earth rejoice
He wraps himself in light and darkness tries to hide
And trembles at His voice and trembles at His voice

How great is our God, sing with me
How great is our God and all will see
How great, how great is our God

Age to age He stands and time is in His hands
Beginning and the end, beginning and the end
The Godhead three in one, Father, Spirit, Son
The lion and the lamb, the lion and the lamb

How great is our God, sing with me
How great is our God and all will see
How great, how great is our God

How great is our God, sing with me
How great is our God and all will see
How great, how great is our God, yeah

Name above all names, worthy of our praise
And my heart will sing how great is our God
Let's share the great the Savior of the world, Jesus

Name above all names, worthy of our praise
My heart will sing how great is our God, yeah
Name above all names, worthy of our praise
And my heart will sing how great is our God, great is
our God

Say that Your worthy, great God, great God
You are matchless, You are boundless, Your love's
unending
No one can compare with You
No one can sadden Your greatness, Your splendor
Your wonder, Your mercy is beautiful Lord, great is our
God
