Today I choose to follow You
Today I choose to give my yes to You
Today I choose to hear Your voice and live
Today I choose to follow You

And as for me and my house
We will serve You
As for me and my house
We will spend our lives on You

Today, today, oh, today I choose to follow You
Today I choose to give my yes to You
Today I choose to hear Your voice and live
Today I choose to follow You

And now, as for me and my house
We will serve You
As for me and my house
We will spend our lives on You, woah

As for me and my house
We will serve You
As for me and my house
We will spend our lives on You today

Wonderful counselor, everlasting Father
Eternal King, Lord of Hosts willingly we follow

Today, today I choose You
Today, today I choose to give my yes to You, Lord
To give my yes to You, Lord

Today I choose to follow You
Today I choose to give my yes to You

As for me and my house
We will serve You
As for me and my house
We will spend our lives on You

As for me and my house
We will serve You

As for me and my house
We will spend our lives on You

For Your name, for Your sake
(We will spend our lives on You)
For Your name, for Your sake
(We will spend our lives on You)
Yes Lord, for Your faith, for Your faith
We will spend our lives on You
