"Grace Is Gone"

Neon shines through smokey eyes tonight
It's 2 A.M., I'm drunk again
And it's heavy on my mind

I could never love again
So much as I love you
Where you end, where I begin
Is like a river running through

Take my heart, take my eyes
I need them no more
If never again they fall
Upon the one I so adore...

Excuse me please, one more drink
Could you make it strong?
'Cause I don't need to think
She broke my heart
My Grace is Gone
Another drink and I'll be gone

One drink to remember
Then another to forget
I think of every day to find
A love like you again

One drink to remember
And another to forget

Excuse me please, one more drink
Could you make it strong?
'Cause I don't need to think
She broke my heart
My Grace is Gone
Another drink and I'll be gone
One more drink and I'll move on

You think of things impossible
Then the sun refuse to shine
I woke with you beside me
Your cold hand lay in mine

Excuse me please, one more drink
Could you make it strong?
'Cause I don't need to think
She broke my heart
My Grace is Gone
Another drink and I'll go...

Excuse me please, one more drink
Could you make it strong?
'Cause I don't need to think
She broke my heart
My Grace is Gone
Another drink and I'll move on
One more drink and I'll move on
One more drink, my grace is gone.
