I'm mixing up a bunch of magic stuff  
A magic mushroom cloud of care  
A potion that will rock the boat will rock  
Make a bomb of love and blow it up

I did it  
Do you think I've gone too far  
I did it  
Guilty as charged  
I did it  
It was me right or wrong  
I did it  
Yeah

I never did a single thing that did a single thing to  
Change the ugly ways of the world  
I didn't know it felt so right inside  
I didn't know it at all  
Open up the curtains I heard sirens there the lights  
flash and crawl  
I did it justice I just did it for the buzz

It's a nickel or a dime for what I've done  
The truth is that I don't really care  
For such a lovely crime I'll do the time  
You better lock me up I'll do it again

I did it  
Do you think I've gone too far  
I did it  
Guilty as charged  
I did it  
It was me right or wrong  
I did it  
Yeah

I never did a single thing that did a single thing to  
Change the ugly ways of the world  
I didn't know it felt so right inside  
I didn't know it at all  
Open up the curtains I heard sirens there the lights  
flash and crawl

I did it justice I just did it for the buzz

All you people are the skewers of our dreams

Like the cat collared me

Oh what I gotta say to you got love don't

Turn it down

Turn it loud

Let it build

We got a long way to go

But you gotta start somewhere

Go door to door spread the love you got

You got the love

You get what you want

Does it matter where you get it from

I for one

Don't turn my cheek for anyone

Unturn your cheek to give your love

Love to grow
