Oh, people killing people  
Kings to conquer kings  
Always in the seeker  
Taking the light  
Away from me  
Death comes to the seeker  
And death comes to the fool  
Death comes to us all one day  
Let the river of time swim over you  
Oh swim over you  
Oh time swim over you  
Mother fighting mother  
Children killing kings and kings and children too  
[ HELP!!! I can't figure this one out ]  
Playin a different tune  
The music binds them ho  
The music binds them all  
The music binds them  
{Ahh another line to figure out!!!}  
Stronger than the chain gang  
Smarter than the song  
Let the music bind them  
Each my face inside here?  
Teach my light to wear a different?  
I have many parents  
I have only one mother too  
Of the open west you waitin'  
Sprung me unto you  
Sprung me unto you  
That sprung me unto you  
I have many fathers  
But only one mother  
Sprung beyond emotion  
That sprung me unto you  
So I bring a word  
So I bring a word here  
So lights out away  
Death comes to the seeker  
Well death come to the fool yes he do  
Death come to us all one day  
Sit back and let the river of time run over you  
Oh and mother make them...

Rhythm is the one I climb as  
The heartbeat of the time is beating on us  
Speaking of the time is beating on us  
Snap up the gate shut on yourself  
Snap up the gate shut on yourself  
Snap up the gate shut on yourself  
Snap up the gate shut on yourself  
Snap up the gate shut on yourself  
Snap up the gate shut on yourself  
Oh yeah  
Oh I was dreaming  
Oh...???  
Some people locked in cages  
With the keys on the inside  
With the keys on the inside  
Ahhh well aww too bad .....[don't know]  
King to King oh
