Ha, open wide
All so good I'll eat you
Take me for a ride
In your sweet delicious,
Perfect, little mouth
There upon I linger
You will have no doubt
That I'll do my best for you
I do, love...

Let's stop to get it going
Lost myself just thinking
'Bout the two of us
From each other drinking
Begin with the lips
Fingertips and kissing
Turn me inside out
I do my best for you

Up and down we go
From the top you push me
This is such a thrill
Lost in love and dancing
Shake your tambourine
You blow my head open
Of one thing I'm sure
I do my best for you
I do...

For you I would crawl
Through the darkest dungeon
Climb a castle wall
If you're my Rapunzel
You let your hair down
Right in through your window
Good, they locked the door
'Cause I do my best for you

I think the world of you
All of my heart I do
Blood through my veins for you
You alone have all of me

I give my world to you
To you I will be true

Too good to be real
The smell of something cooking
My soul you're to steal
Food of love we're filling
What you've given me
For it there is no measure
Of one thing I know
I'll give my best for you

I think the world of you
All of my heart I do
Blood through my veins for you
You alone have all of me
From you my strength is full
To carry your burdens, too
I give my word to you

Hip lock up so tight
You know drive me crazy
Crazy is alright
With you looking at me
You make me feel high
Every single thing you do to me
Is like I'm drunk

Given me, given me the shivers
