Oh well oh well so here we stand  
But we stand for nothing  
My heart calls to me in my sleep  
Now can I turn to it  
Cause I'm all locked up in this  
Dark place -- and I do not know  
I'm as good as dead  
My head aches -- warped and tied up  
I need to kill this pain

My head won't leave my head alone  
And I don't believe it will  
'Til I'm dead and gone  
My head won't leave my head alone  
And I don't believe it will  
'Til I'm six feet underground

How long I'm tied up  
My mind in knots -- My stomach reels  
In concern for what I might do or  
What I've done  
It's got me living in fear  
Well I know these voices must  
Be my soul  
I've had enough  
I've had enough  
Of being alone  
I've got no place to go

My head won't leave my head alone  
And I don't believe it will  
'Til I'm dead and gone  
My head won't leave my head alone  
And I don't believe it will  
'Til I'm six feet underground
