"Seek Up"

Sometimes I feel like I'm falling
Fall back again, fall back again,
Fall back again, fall back again

Oh, life it seems a struggle between
What we think what we see
I'm not going to change my ways
Just to please you or appease you
Inside a crowd, five billion proud
Willing to punch it out
Right, wrong, weak, strong
Ashes to ashes all fall down
Look around about this round
About this merry-go-round around
If at afill God's gaze upon us fall
His mischievous grin, look at him

Forget about the reasons and
The treasons we are seeking
Forget about the notion that
Our emtions can be swept away
Forget about being guilty,
We are innocent instead
For soon we will all find our lives swept away

Sit awhile with TV's hungry child
Big belly swelled
Oh, for a price of a coke or a smoke
Keep alive those hungry eyes
Take a look at me, what you see in me,
Mirror look at me
Face it all, face it all again

Forget about the reasons and
The treasons we are seeking
Forget about the notion that your emtions can be
Wweped away, kept at bay
Forget about being guilty, i am innocent instead
For soon we will all find our lives swept away

You seek up an emotion
And our cup is overflowing

You seek up an emotion,
Sometimes your well is dry
You seek up a big monster
For him to fight your wars for you
But when he finds his way to you, the devil's not
Going--ha, ha

Say, say

Look at me in my fancy car
And my bank account
Oh, how I wish I could take it all down
Into my grave, I'd save
Take a look again, take a look again,
Take a look again
Everyday things change,...stay the same
