I say my hell is the closet I'm stuck inside  
Can't see the light  
And my Heaven is a nice house in the sky  
Got central heating and I'm alright  
Yeah, yeah, yeah  
Can't see the light  
Keep it locked up inside  
Don't talk about it  
Talk about the weather

Yeah, yeah, yeah...  
Can't see the light  
Open up my head and let me out, little baby  
'Cause here we have been standing for a long, long  
time  
Treading trodden trails for a long, long time

I say my hell is the closet I'm stuck inside  
Can't see the light  
And my Heaven is a nice house in the sky  
Got central heating and I'm alright  
'Cause here we have been standing for a long, long  
time  
Treading trodden trails for a long, long time

I find sometimes it's easy to be myself  
Sometimes I find it's better to be somebody else

I see you young and soft, oh little baby  
Little feet, little hands, little feet, little baby  
One year of cryin' and the words creep up inside  
Creep into your mind, yeah

So much to say  
So much to say...

'Cause here we have been standing for a long, long  
time  
Treading trodden trails for a long, long time

I find sometimes it's easy to be myself  
Sometimes I find it's better to be somebody else

So much to say  
So much to say...  
Open up my head and let me out, little baby.
