We were walking  
Just the other day  
It was so hot outside  
You could fry an egg.  
Remember you were talking  
I watched as sweat ran down your face  
Reached up and I caught it at your chin  
Licked my fingertips

We were just wasting time  
Let the hours roll by  
Doing nothing for the fun  
A little taste of the good life  
Whether right or wrong  
Makes us want to stay, stay, stay for awhile

Then later on the sun began to fade  
Then the clouds rolled over our heads  
And it began to rain  
Oh, we were dancing mouths open  
Splashing tongue taste  
For a moment this good time would never end  
You and me  
You and me  
Just wasting time  
I was kissing you,  
You were kissing me love  
From good day into a moonlight  
Now a night so fine  
Makes us wanna stay, stay, stay, stay for awhile

Makes you wanna...  
Makes me wanna...  
Don't it make you wanna?

Wasting time  
I shall miss this thing  
When it all rolls by  
What a day...  
Wanna stay, stay, stay, stay for awhile

Hey love  
Oh just groping you  
Rolling in the mud  
Stay a while  
Come on love  
Wanna stay, stay, stay, stay for awhile

Makes me wanna, makes me wanna stay.

Makes me wanna, makes me wanna stay... don't it?  
Make you wanna stay... don't it?
