There must be some kind of way out of here  
Said the joker to the thief  
Too much confusion  
I can't get no relief

Businessmen they drink my wine  
Then the plowmen they dig my earth  
None of them along the line  
Know what any of its worth

No reason to get excited  
The thief he kindly spoke  
There are many among us  
Who feel that life is but a joke, ha ha

But you and I we've been through all that  
Yes we have, and this is not our fate  
So let us not talk falsely now  
The hour is getting late

All along the watchtower  
Princes kept their view, oh  
While all the women, all the women  
All the women came and they went  
Barefoot servants too

Outside in the cold distance  
A wild cat did growl, la la la  
Two riders were approaching  
The wind began to howl, yeah, la la la

All along the watchtower  
Princes kept their view, oh  
While all the women, all the women  
All the women came and they went  
Barefoot servants too

Outside in the cold distance  
A wild cat did growl, la la la  
Two riders were approaching  
The wind began to howl, yeah, yeah

All along the watchtower  
Princes kept their view  
While all the women, all the women  
All the women came and they went  
Barefoot servants too

Outside in the cold distance  
A wild cat did growl  
Two riders, two riders were approaching  
The wind began to howl

The money's safe  
The thief is safe  
The money's safe  
The thief is safe  
No reason to get excited!
