Look at me dreaming of you  
All I could hope is to have you  
To have you walking with me  
Laughing so in love, we two

Almost drunkenly  
I did imbibe of this  
Fantasy of you and me

Was I a fool to think?  
The way you looked at me  
I swear you did  
But you looked away too quick

Was I a fool, was I a fool to think  
That you would take me home  
As if I was yours  
Was I a fool to think at all?

I've grown tired of love  
You are the trouble with me  
I watch you walk right by  
I smile, you do not notice me

Treat me recklessly  
All you do is toss me pennies out  
But the silence in me is screaming  
Won't you come and get me?

Was I a fool to think?  
The way you looked at me  
I swear you did  
But you looked away too quick

Was I a fool, was I a fool to think  
That you would take me home  
As if I was yours  
Was I a fool to think at all?

Was I a fool to think?  
The way you looked at me  
I swear you did

But you looked away too quick

Was I a fool, was I a fool to think  
That you would take me home  
As if I was yours  
Was I a fool to think at all?

You make a mess of me here  
I dance a thousand steps for you  
And if you say 'yes' to me  
I'll be whatever gets you through

You make a mess of me  
(Was I a fool?)  
I dance a thousand steps for you  
(Was I a fool?)  
Was I a fool, was I a fool to think?  
Am I a fool, am I a fool for you?
