Roll uptown to midnight
Then roll on downtown till it's light
Because tomorrow we may die
Oh but tonight we're dancing in the fate light

Don't you rob yourself of what you're feeling
Don't rob yourself of all that you could be
Roll hard 'til midnight
Roll 'til it's light, come on now

Stay up and make some memories here with us now
To roll the red carpet out with friends
To, to love and roll on

Our love is so right
I wouldn't waste a minute here tonight
Our love is so right
And tonight my dance is all about you

To midnight love you
Roll on, run the red lights
You know the game now is keep it tight
Oh how I love your pretty rock and roll kisses
Come on and stay with me
Roll on and run the red lights
Come on this love is so right

Stay up and make some memories here with us now
To roll the red carpet out with friends
To love and roll on

Our, our love is so right
I can taste we're in it here tonight
Our love is so right
And tonight my dance is all about you

I'm going crazy and it's all 'cause of you
(It's all 'cause of you)
I'm going under over you, over you

This time is so alive
Everybody's trance dancing tonight

Oh so beautiful and so strange
Oh it was empty until you came

Our love is so right
Forget the clouds that rain on your light
Our love is so right
I'll not forget how you look right now

Our love is so right
Remember let's just move together
Our love is so right
I swear it would last forever

Our love is so right
Don't forget the clouds that rain down on you
Our love is so right
[Incomprehensible]
