I walk into this room, all eyes on me now  
But I do not know the people inside  
Look straight through me these eyes  
Seeking more wisdom than I have to give away  
Realize, realize what you are

What you've become, just as I have  
Are you and I so unlike?  
Huddled here you, just as I am  
Afraid if we dance we might die

Mock the world, live safe, say why  
Don't you know if you live life  
Then you become what you are?

The sea is unsparing  
We're all drifting away  
Away from you, I pray for you now  
Hoping to God on high  
Is like clinging to straws while drowning, oh  
Realize, realize what you are

What you've become, just as I have  
Are you and I so unlike?  
Huddled here you, just as I am  
Afraid if we dance we might die

Mock the world, live safe, say why  
Don't you know when you live life  
Then you become what you are?

What you are is a beast in the lover's arms  
What you are is the devil in a sweet, sweet kiss  
What you are is missing a piece  
What you are is a puzzle to me

What you've become, just as I have  
Are you and I so unlike?  
Huddled here you, just as I am  
Afraid if we dance we might die

What the world gives to you

Don't you know when you give life  
Then you become what you are?

Don't trust me  
Trust you  
Up to you  
Trust you
