(chanting)

praise God, who has many names  
but the devil has many more  
and with the love that my mother gave me  
I'm gonna drop the devil to the floor

I'm gonna drop the devil to his knees  
I'm gonna drop the devil to his knees

there's always someone who'll try to convince you  
that they know the answer no matter the question  
be wary of those who believe in a neat little world  
because it's just fucking crazy, you know that it is

(chanting)

walking along in this haze of confusion  
sometimes I can laugh but at times it takes all of my  
strength  
just to find enough reason to take the next step  
step, but I will, but I will, 'til I do

(chanting)

brother, sister, brothers, sisters  
brother, sister, brothers, sisters

praise God who has many names  
but the devil has many more  
and with the love that my mother gave me  
I'm gonna drop the devil to the floor

I'm gonna drop the devil to his knees  
I'm gonna drop the devil to his knees

strange evolution, that people have come to believe  
that we are its greatest achievement  
when really we're just a collection of cells overrating  
themselves  
hello God, I'm avoiding the truth

(chanting)

I'm gonna drop the devil to his knees  
I'm gonna drop the devil to his knees

(chanting)
