Everything's different, my head in the clouds
I hit this corner with my foot on the gas
I started sliding, I lose it
Everything's different just like that

Oh, my God, wait and see
What will soon become of me?
This frozen heart and screaming wheels
Does that screaming come from me?

I'm so damn lucky that you went on ahead
You say, you say, I see you later
I heard what you said a few minutes later
I'm sliding, everything's different, again

Oh, my God, wait and see
What will soon become of me?
This frozen heart and screaming wheels
Does that screaming come from me?

Dizzy from all this spinning

Now I'm thinking, you did all you could
When you said my love, take it slowly
Okay, is what I said

Oh, my God, wait and see
What will soon become of me?
This frozen heart and screaming wheels
Does that screaming come from me?

Take me back just before I was spinning
Take me back, amazing what a minute can do
Take me back just before I got dizzy
Just like you

Sing 'round, 'round, 'round, 'round
'Round, 'round, 'round, 'round
'Round, 'round, 'round, 'round, 'round
It's amazing what a minute can do

'Round, 'round, 'round, 'round

'Round, 'round, 'round
'Round, 'round, 'round
Okay is what I say

What a minute can do
It's amazing what a minute can do
Oh, yeah
It's amazing what a minute can do
