Come and see,
I swear by now
I'm playing time against my troubles, oh
I'm coming slow, but speeding.

Do you wish a dance?
And while I'm in the front,
My play on time is won.
Oh, but the difficulty's coming here.

I will go in this way
And find my own way out.
I won't tell you what to be,
But I'm coming to much more.

Me...

Come down, let ghosts come back
Reeling in you now.
Oh What if they came down crushing?
Remember when, I used to play
For all the lonlieness that nobody notices now
Begging slow I'm coming here.

Only waiting.

I wanted to stay.
I wanted to play.
I wanted to love you.
I'm only this far
And only tomorrow leads the way.

I'm coming waltzing back and
Moving into your head.
Please.
I wouldn't pass this by.
Oh, I wouldn't take anymore than
What sort of man goes by?
I will bring water.
Why won't you ever be glad?
It melts into wonder.

I came in praying for you.
Why won't you run into rain and play?
And let tears splash all over you
