Rain for me oh you but called me
It's my broken heart just where you leave me
Now I say to you, "Ooooh boy."

Weight on my head
You won't go up, oh
Weight on my head
Ooh ooh my babe...

Stay a minute just to hear you waitin',
And no one confine her
Sweet and tender won't you go out again?

Oh, rain on my head
Wouldn't you
Rain on my head?
Oh, someone take off a
Weight all alone

Ahh, I met a girl recently.
All in a sudden, all a suddenly
Nobody deal for the woe of the world
Wait, all a sudden, all a suddenly
It will all would be, all would be over

Wait, come on rain on my head.

Water water!

Dates,
Many, many dates how you all die.

Oh rain money,
Grow a war at heart
And in the fire,
One out of a million.

.. wait a minute,
Touch your look on me
Denial, denial
Touch your work with me
Do not deny

Rain on my head
Rain on my head
Rain on my head
Rain on my head
